WELCOME MESSAGE

Dear Esteemed Friends, Global Experts and Innovators,

On behalf of the Organising Committee, it is our great pleasure to welcome you to the **6th Edition of the Aesthetic Medicine & Surgery Conference & Exhibition (AMSC) Malaysia 2027**, taking place in the vibrant and dynamic city of Kuala Lumpur.

AMSC Malaysia 2027 continues its journey as ASEAN's leading platform for scientific exchange, interdisciplinary collaboration, and innovation, bringing together renowned experts, practitioners, researchers, and industry leaders from around the world.

In 2027, AMSC takes a bold step forward, broadening its vision beyond traditional aesthetics to embrace the evolving fields of aesthetic medicine, surgery, longevity, regenerative medicine, and wellness. This expanded scope reflects the rapid evolution of our industry and the growing importance of a more comprehensive approach to health, beauty, and well-being.

Over the course of two inspiring days, delegates will experience a carefully curated scientific programme featuring keynote presentations, interactive symposia, live demonstrations, and expert-led panel discussions. These sessions are designed to encourage meaningful knowledge exchange, inspire new perspectives, and support continuous professional development and clinical excellence.

The accompanying exhibition will showcase an extensive range of cutting-edge technologies, innovative products, and advanced solutions, providing delegates with valuable opportunities to discover the latest developments and connect with leading brands shaping the future of our industry.

Beyond the scientific programme, AMSC Malaysia 2027 will also offer a series of exclusive networking and social experiences, including our prestigious Gala Dinner. These occasions provide the perfect setting to build meaningful connections, exchange ideas, strengthen professional relationships, and create lasting partnerships in a welcoming and collegial atmosphere.

We warmly encourage you to make the most of this exceptional experience—to share knowledge, challenge perspectives, discover new possibilities, and connect with fellow leaders from across the globe.

Together, let us explore new frontiers and shape the next chapter of aesthetic medicine, surgery, longevity, regenerative medicine, and wellness.

We look forward to welcoming you to AMSC Malaysia 2027 and to an inspiring and memorable experience in Kuala Lumpur.

Dr Tingsong Lim

President of Malaysian Society of Aesthetic Medicine (MSAM)

Scientific Director of Aesthetic Medicine & Surgery Conference & Exhibition (AMSC)
